PLIT427-39 REV. - 10/6/20

!!! WARNING !!!

Devices should be mounted only in locations listed in SAE standard J1849.
Assure clearances before drilling in vehicle.
Sound levels produced by speakers can cause permanent hearing loss.
Never operate this unit without adequate hearing protection for you and others
in the area. (OSHA 1910.95)

WARNING: ALWAYS WEAR HEARING PROTECTION PER OSHA 1910.95

Installation

1. Attach the speakers to the bracket as pictured below.

IMPORTANT!

**Speaker must be mounted with
drain hole/wiring exit facing down.
Failure to do so will void warranty!**

2. Access the front bumper extrusion by removing the front fascia/grill/bumper cover assembly per manufacturer instructions.
3. Install speaker and bracket assembly to bumper system:
 - Refer to the diagram on the previous page showing the hardware configuration.
 - Route a 6MM x 1.00 mounting screw and washer (user-supplied) through the speaker bracket (speakers facing towards the front of the vehicle) and then through the front of the bumper.
 - Secure each screw with a flat washer, a split washer, and a nut.
 - The speaker should sit above the lower lip of the radiator housing and away from the radiator fins. Ensure that the assembly does not contact the radiator.

4. Route your wires and make the necessary electrical connections.
5. Re-install the front fascia/grill/bumper cover assembly.

ONE YEAR LIMITED WARRANTY

The manufacturer warrants each new product against factory defects in material and workmanship for one year after the date of purchase. The owner will be responsible for returning to the Service Center any defective item(s) with the transportation costs prepaid. The manufacturer will, without charge, repair or replace *at its option*, products, or part(s), which its inspection determines to be defective. Repaired or replacement item(s) will be returned to the purchaser with transportation costs prepaid from the service point. A copy of the purchaser's receipt must be returned with the defective item(s) in order to qualify for the warranty coverage. Exclusions from this warranty include, but are not limited to, bulbs, strobe tubes, domes, and/or the finish. This warranty shall not apply to any light, which has been altered, such that in the manufacturer's judgment, the performance or reliability has been affected, or if any damage has resulted from abnormal use or service.

There are no warranties expressed or implied (including any warranty of merchantability or fitness), which extend this warranty period. **The loss of use of the product, loss of time, inconvenience, commercial loss or consequential damages, including costs of any labor, are not covered.** The manufacturer reserves the right to change the design of the product without assuming any obligation to modify any product previously manufactured.

This warranty gives you specific legal rights. You might also have additional rights that may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts. Some states do not allow the exclusion or limitation of incidental or consequential damages. Therefore, the above limitation(s) or exclusion(s) may not apply to you.

If you have any questions concerning this or any other product, please contact our **Customer Service Department** at (585) 226-9025.

If a product must be returned for any reason, please contact our Customer Service Department to obtain a Returned Materials Authorization number (RMA #) before you ship the product back. Please write the RMA # clearly on the package near the mailing label.
